

COMPANY PROFILE

A Brief Story About The Company

ABOUT US

Founded in 2000, StrivePoint Company has grown into one of Saudi Arabia's leading construction, trading, and investment companies. With over two decades of proven experience, we have built a strong reputation for credibility, reliability, and excellence in the market.

Supported by highly qualified technical, administrative, and financial resources, StrivePoint delivers integrated solutions across a wide range of government and private sector projects. We remain committed to contributing to the Kingdom's ambitious development plans by executing high-quality projects efficiently and within required timelines.

BUSINESS APPROACH

OUR STRATEGY

Our future strategy is focused on consolidating the company's leadership position in the contracting sector while capitalizing on the significant economic growth opportunities within the Kingdom of Saudi Arabia and across the GCC region.

01

Market Leadership

Reinforce our position as a trusted leader in the contracting industry through consistent performance and strong client relationships.

02

Regional Expansion

Leverage economic growth across Saudi Arabia and the Gulf states to expand our footprint and diversify our project portfolio.

03

Competitive Readiness

Prepare for increasing competition by enhancing efficiency, adopting advanced technologies, and developing strategic partnerships.

04

Quality & Timely Delivery

Ensure the highest standards of quality while delivering projects within agreed timelines and budgets.

05

Operational Excellence

Enhance systems, processes, and workforce performance for sustainable growth.

06

Innovation & Sustainability

Adopt innovative and sustainable practices to deliver long-term value.

OUR FUTURE

VISION & OBJECTIVES

StrivePoint Company aims to be a pioneer in development and investment by delivering the highest standards of service, performance, and project excellence. We are committed to building a strong reputation where the StrivePoint name is synonymous with quality, reliability, and service excellence.
